

AROCA Supersprint & Track Experience Day, Sunday 24th March 2024

A repeat of last July's highly successful event – Sydney Motorsport Park – **Full GP Circuit!**

Track Experience group - Passengers allowed see basic rules below!

This is not a race or competition group - No Timing - No Numbers on the car required. Cars will be checked for road worthiness and to be free of loose items. Cars and drivers are expected not to exceed 80% of their maximum capabilities. **Everyone needs proper motorcycle or race Helmets.**

Passengers are allowed. The minimum age is 14 - 17 years old with consent from parents and they can only ride with a driver over 18 years old that has track experience and licenced as below.

The drivers must have at minimum a day licence as noted below. Junior drivers 14 - 17 years old with consent from parents but can only ride with a driver over 18 years old that has track experience and licenced as below.

Experienced Drivers available from the Super Sprint groups and helpers will be happy to ride with you and give tips and guidance for the beginners and those less experienced drivers.

The event is ideal for those wanting to experience their cars at above road legal speed or wanting to progress to super sprinting. Racing drivers may want to take family and friends for a few laps.

You will also have a chance to see those competing in a racing Supersprint up close.

Any AROCA members and their family are invited, guests are welcome. (ride only)
Any Brand of car can be used as long as mechanically sound. (No open wheelers, bikes or electric cars)

Passengers need to sign in on the day – No cost for passengers (Only 1 passenger per session)
