

# The Shannons Sydney Classic Sydney Motorsport Park, Eastern Creek Sunday, 15 August 2021

Come along to this premier classic car event. You will surely enjoy looking at the 1900 plus classic cars, bikes, buses and military vehicles that will be on display, including some of our members' cars.

Also available: the brilliant concourse cars, models, memorabilia, books, a run around Eastern Creek circuit in a double decker bus and much more.

Bring your own food and beverage or purchase something on-site. Some members are usually around the AROCA display area throughout the day.

 SHARE THE PASSION

*Now in 2021 we are back, bigger and better.*

*We are planning for close to 2,000 vehicles being driven to the event at Sydney Motor Sport Park, Eastern Creek.*

*We may still have to practice distancing rules when everyone is wandering about looking at the great cars and displays.*

*There will be the usual 50 garages with the trade and club displays. And of course, there will be the Concours competition.*

*We now have over 200 clubs who can participate. From our annual returns, the last count of individuals in those clubs numbered over 32,900.*

*We hope that we can continue our long association with Shannons.*
