

**Mayfield Gardens and
Rockley Pub Drive,
Sunday, September 22,
2024**

Enjoy the vernal equinox in your favourite Alfa with other likeminded Alfisti on a drive to the spectacular Mayfield Gardens near Oberon, the largest privately owned, cool-climate garden in Australia. The gardens in spring promise to be an explosion of fresh colour as the trees and shrubs awaken from their Winter slumber. Due to popular demand we'll then be continuing on to lunch at Matt Morrans' Rockley Pub.

It will be necessary for you to prebook your entry tickets for Mayfield Gardens online via their website at <https://mayfieldgarden.com.au> to be assured of entry and to avoid queuing on the day.

Entry prices at the time of writing were.

Family (2Adults, 3Children): \$105, Infant: free.
