Adrian Oldham presents his  
**1983 ALFASUD SPRINT TROFEO**  
With special guest Colin Bond

**Tuesday 9th April 2024, 6pm at Shannons Insurance (Showroom),  
22 Lambs Road, Artarmon NSW 2064**

The wait is over, AROCA members are invited to attend a special presentation featuring a rare European championship racecar. This unique car is one in only a handful of surviving Alfasud Sprint Trofeo in the original 1983 Autodelta trim. It was recently imported into Australia after having been stored unused in Italy since its last race in 1984. Come along, hear its story and experience this exceptional piece of Alfa Romeo racing history.

Our special guest Colin Bond will share memories of racing an Autodelta prepared Sprint Trofeo at Monza in 1983. This will be the first time he's seen one in 40 years.

Pizza and soft-drinks provided for club members.

RSVP by 8th April
