Mark this date in your diary, electronic calendar, a post-it note on the dashboard, or on the kitchen whiteboard, so that you will not miss this premier event in our AROCA annual calendar.

Once again, our club will use the grassed locations of this great venue to display of our members' cars.

Come along and participate with your car on display. Get the polishing rags out and give your pride and joy a thorough going over. You will then be ready to enjoy an enjoyable day with fellow AROCA members and members of Fiat, Italian Made Social Motoring and Lancia Clubs.

Vehicle classes have been redefined for this year. There are eighteen classes in total, and each will have a winner and a runner up. Details of the Show & Shine judging rules and classes, are listed on the following pages.

Have your Alfa on the field between 9.00am and 10.00am. The Judging will commence at 10.30 am and conclude by 12.30 pm.

We look forward to having you with us on the 28<sup>th</sup>.

## **SHOW & SHINE JUDGING RULES**

All that is required for display in a model class is a reasonably clean and tidy car, drive up and enter on the day. Judging is only carried out on the visible exterior of the cars.

1. Only current financial members of an AROCA state club may enter a vehicle.
2. The entrant must be the registered owner of the vehicle.
3. The judging methodology is fairly informal and based on external condition and presentation.
4. Only volunteer current financial members of an AROCA state club are eligible to be appointed as a judge.
5. The windscreen display card must be completed for the car to be eligible for judging. If no card is displayed, then that car will be considered not eligible for judging.
6. The decision of the judges is final. Where there are less than 3 entrants in a class, then the number of awards is reduced to the number of entrants less 1
7. Vehicles will be classed in the categories listed on the vehicle display card.
